Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 15 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A largely fine and dry day, with sunny spells.

Today:
A dry start with low cloud breaking through the morning, giving way to sunny spells. Spells of sunshine continuing into the afternoon, with some patchy cloud arising. Feeling pleasant in the sun with light winds. Maximum temperature 21 deg C (70 deg F).

Tonight:
Remaining dry through the evening with some late sunny spells. Variable cloud amounts and clear spells overnight and staying dry. Another mild night. Minimum temperature 11 deg C (52 deg F).

Thursday:
Dry with spells of sunshine through the morning. Perhaps an isolated shower during the afternoon with continued sunny spells. Remaining rather mild. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Increasing cloud during Friday later producing outbreaks of rain for a time. Sunny spells on Saturday with perhaps a few showers. Variable cloud on Sunday with some showery outbreaks.
